

# **Wyoming 9/12 Project Mission Statement And 9 Principles/12 Values**

This is a non-political movement that has expanded nation-wide, including our group in Wyoming. The 9-12 Project is designed to bring us all back to the place we were on September 12, 2001. The day after America was attacked, we were not obsessed with Red States, Blue States or political parties. We were united as Americans, standing together to protect the greatest nation ever created.

That same feeling – that commitment to country is what we are hoping to foster with this idea. We want to get everyone thinking like it is September 12th, 2001 again.

## **Mission Statement**

- To educate each on the Constitution, the Declaration of Independence, the Bill of Rights, and the basic foundation of this nation.
- To inform every member of bills and legislation that is up for a vote, or has recently passed and their effects on the rights and freedoms of all.
- To provide each member an opportunity to take action when such bills and legislation is anti-Constitutional, by way of petitions, protests, and letters written to our representatives.
- And lastly to give members a support group that shares the same concerns and determination to make a difference.

# Wyoming 9/12 Project Mission Statement And 9 Principles/12 Values

At the origin of America, our Founding Fathers built this country on 28 powerful principles. These principles were culled from all over the world and from centuries of great thinkers. We have distilled the original 28 down to 9 basic principles and 12 values. If you believe in at least seven of the 9 basic principles, then we have something in common.

## The 9 Principles are:

1. America is Good.
2. I believe in God and He is the Center of my Life.
3. I must always try to be a more honest person than I was yesterday.
4. The family is sacred. My spouse and I are the ultimate authority, not the government.
5. If you break the law you pay the penalty. Justice is blind and no one is above it.
6. I have a right to life, liberty and pursuit of happiness, but there is no guarantee of equal results.
7. I work hard for what I have. I will share it with whom I want to. Government cannot force me to be charitable.
8. It is not un-American for me to disagree with authority or to share my personal opinion.
9. The government works for me. I do not answer to them, they answer to me.

## The 12 Values are:

- |              |               |                             |
|--------------|---------------|-----------------------------|
| 1. Honesty   | 5. Humility   | 9. Hard Work                |
| 2. Reverence | 6. Charity    | 10. Courage                 |
| 3. Hope      | 7. Sincerity  | 11. Personal Responsibility |
| 4. Thrift    | 8. Moderation | 12. Gratitude               |

The Wyoming 9/12 Project members come from all walks of life, backgrounds, races, religions, and political persuasions. Our purpose is to educate ourselves, and our community, to the rights and liberties that our Constitution, Declaration of Independence, and Bill of Rights guarantee us, and carefully watch the bills that are being presented before our elected officials, to make sure that they fall within the guidelines that our founder's set in place over 200 years ago. Our group does not condone violence to achieve a goal. Nor will we tolerate personal attacks on members, or non members, as our goal could be compromised by such actions. Everything we will work for, will be done within the means of the law, and when laws are not on our side, we will strive to change those laws in a court of law.
